1. Minutes of 2017 AGM and Matters arising

The minutes of the 2017 AGM were approved. There were no matters arising.

2. The Commodore's Report

Drew Edmunds presented his report to the meeting:

Looking back on the 2018 season it was one of the hottest summers. This provided some fantastic sailing; however, it also brought some very strong winds which I am sure none of us will forget. Tuesday sailing was well supported and provided some wonderful memories, including sailing in the fog. I am delighted to say we all returned home safely to the moorings that night.

Drew concluded by thanking everyone for all their hard work and support of the club. It is the hard work, enthusiasm and energy that makes it such a wonderful club which everyone enjoys.

3. The Hon. Treasurer's Report

The accounts were presented by the Treasurer, Anthony Owen. Anthony started by thanking Chris Williams for auditing the club accounts again this year. He apologised that the accounts provided at the AGM did not have the notes appended to it, only the profit and loss account and balance sheet (set out as Appendix A).

Total income for the year was £31,248 and total expenses were £16,293 given a net surplus before interest and depreciation of £14,954.

How did the net surplus arise?

Subscriptions and teas were up year on year, however mooring fees were down. We had a good Junior Week again this year and 2018 also benefited from the new NPC Calendar, which has sold well. 2018 enjoyed a one-off rates rebate (£2,136) from North Norfolk District Council and this reduced rent / rates to £1,363. This is not expected to recur next year.

As the members are aware, the outboard motor was stolen last year. Following this we suffered a substantial increase in maintenance costs for the improved security required for the pens for the rescue boats. Further our insurance only covered part of the replacement cost of the outboard motor. After this theft the insurers reviewed the premium and overall insurance costs increased from £3,069 to £3,705 in the year.

Engraved prize glasses suffered a year on year increase as the old supplier ceased trading and the new supplier had higher prices.

Anthony concluded by thanking Rick Sealey for agreeing to take over as Treasurer and wished him luck going forward. The transition to Rick will be undertaken by the Annual Dinner.

4. Motions for Consideration by the Meeting

Motion 1: Proposal to amend subscriptions for 2018:

Proposed by James Arthur; Seconded by Martin Mills.

Membership	2017	2018		If paid by Direct Debit	Saving	Inflat'n %	2019
		Increase	Subs				DD Subs
Single Member	£75	+£15	£90	£80	£10	2.7%	£82
Joint Members	£110	+£30	£140	£120	£20	2.7%	£123
Family Members	£130	+£30	£160	£145	£15	2.7%	£149
Associate Member	£45	+£5	£50	£45	£5	2.7%	£46
Student Member	£40	+£5	£45	£40	£5	2.7%	£41
Junior Member	£20	+£10	£30	£25	£5	2.7%	£26

The Motion was unanimously passed.

Drew Wilton reminded all members it is much more cost effective to pay by direct debit.

Motion 2: Proposed Change to Constitution

Proposed by Neville Khambatta; seconded by Aaron Male.

The changes to the Constitution were set out in the agenda for the AGM circulated ahead of the meeting as follows:

Clauses 7 and 53 Change the "Student" category of membership to "Young Person" and increase the age limit for this category to 25. This is to bring the Rules of the Club into line with current conventions in respect of terminology and age limits.

Clause 8 and 14 Delete references to Entrance Fees as Entrance Fees have now been abolished.

Clause 9 Amend the date for payment of subscriptions to 1 March to reflect current payment date.

Clause 47 Amend the definition of Honorary Life Members to "Members who have made a significant contribution to the club over an extended period of time may be nominated by the Committee for election at an Annual General Meeting" as well as amending the total of Honorary Life Members to 4% of the Club. This change arose from discussion within the Committee during the past year.

The Motion was unanimously passed.

5. The Season's Results

The season's race results and trophy winners were circulated to all attendees (Appendix B). Thanks were given to Emma and Will Daniels for their work in compiling the results. Neville Khambatta noted that the Athene Cup is only omitted from the Season's results as it was cancelled due to adverse weather conditions.

6. Election of Flag Officers and Officials

The following individuals were nominated:

Position	Name	Proposed By	Seconded By
Commodore	Alex Craker	Sarah Scott	Alan Davies
Vice-Commodore	Martin Mills	Sarah Scott	Alan Davies
Rear Commodore	Michael Palmer	Val Khambatta	Matthew Scott
Hon Secretary	Amanda Brooks	Rachel Card	Martin Mills
Hon Treasurer	Rick Sealey	Rachel Card	Sarah Adler
Hon Auditor	Chris Williams	Martin Mills	Alan Davies

The election of Flag Officers and Officials was carried unanimously in each case.

7. Election of Committee Members

The following committee members were nominated:

Position	Name	Proposed By	Seconded By
Committee Member - New	Tim Edmunds	James Arthur	John Seeley
Existing Committee Members seeking re- election	Caroline Dixey Carol Watson	James Arthur James Arthur	John Seeley John Seeley

The election of Committee Members was carried unanimously in each case.

It was noted that Alan Davis, Kate Dulieu, Aaron Male, Ian Mason and Kira Mason are delighted to continue to serve on the Committee. Drew Wilton, as retiring Commodore will be the ex-officio member. Alan Davis has kindly offered to act as Bosun, to be an ongoing support to the Rear Commodore, which the Committee very much welcomed and are grateful to Alan for his support.

Drew Wilton noted that James Arthur and Anthony Owen were retiring as Hon Secretary and Hon Treasurer respectively at the end of the AGM. In recognition of all their hard work and contribution to the Club over recent years the 2018 Flag Officers had joined together to present a thank you present to both of them, which was presented at the meeting.

8. Election of Representatives

The following were nominated to represent the NPC to external bodies:

- RYA: Val Khambatta
- Go Wild at Barton : Tim Edmunds
- Norfolk and Suffolk Boating Association: Rachel Card

9. Community Award

Drew Wilton was delighted to display the RYA's Community Award for Outstanding Contribution awarded to Val and Neville Khambatta. He thanked both Val and Neville for all the exceptional contribution to the club over many years in so many different ways and was delighted that the Committee had voted to make them both an honorary life time members of the Norfolk Punt Club. The AGM fully endorsed this and echoed their thanks to Val and Neville for all their hard work and contribution to the club.

Val noted that it is an incredible honour to receive this RYA Community Award for Outstanding Contribution yesterday in London. However, in addition to her award, Princess Anne who had chaired the meeting had specifically thanked three retiring Council Members for all their hard work and services to sailing. Richard Card was specifically thanked by Princess Anne as a retiring Council Member.

10. Membership Report

Caroline Dixey sent her apologies that she was unable to attend the AGM. Alex Craker reported on her behalf.

We are delighted with the strong support for the club, with 352 members, the majority paying by direct debit. 31 new members joined during the year, more than offsetting the few who left the club.

11. Programme for 2019

Alex Craker provided the following report on the programme for 2019.

So apart from looking forward to another great season, hopefully with slightly fewer extreme windy sailing days but just as much sun as we have had this year, there are several things in particular to highlight for 2019.

Winter Social - Saturday, 2 March 2019

We have introduced a winter get-together to the Punt Club diary by popular request from members (canvassed in Matthew Scott's year in the run up to our 90th birthday celebrations). Last February we quizzed all night and some of us won fizz. Something completely different is planned for 2019, A 'Seafaring Supper' on 2nd March 2019. Clearly not compulsory, but if you would like to dress for the occasion, then I suggest you don't pack your sailing wellies at the back of the attic for the winter. Bookings will formally open in the New Year, but advance reservations accepted by emailing Alex.

Alex noted that if members have any suggestions for a potential future winter social event, then please let her know. Also, if anyone would like to join in with the Social Sub-group and help make our social events happen then Carol, Alison and Alison would love to hear from you.

Pontoon replacement strategy - approach and finances

Pontoon replacement strategy is key for 2019. Our maintenance sub group have concluded that our oldest pontoon (Barton Turf side of the tea hut) must be replaced this winter. It is the last of the set built around 1990 at Simon Daniels' farm - with considerable help from Simon and his workforce. The good news is that, since 2016, when club funds were at rock bottom, the sound financial management we have operated means we can now afford this expense. As timber has a much shorter shelf-life these days, with less seasoned wood and less effective preservatives we can use, we are looking at options that include longer-lasting materials (as The Nancy Oldfield Trust has done this year). Martin Mills is leading on this with crucial input from maintenance sub-group members. They are considering recycled plastic decking, GRP and steel frames and different fabrication options.

We will put options to the Committee and plan to place an order before Christmas so that we have the new, safe, pontoon at the start of the season. The 'not so good news' is that it is evident that our newer pontoons will not have the same shelf life as the 1990s set, so we need to plan ahead. Our ambition is to replace all the current pontoons, as needed, over a period of years to give us an easily maintained, long-life club base for the foreseeable future. New pontoons are very expensive. This winter's purchase is likely to practically wipe out our Centenary Fund, the monies put aside for big projects. However, as we have heard from Anthony we have made a surplus again through 2017-18 so we will be able to top up the Centenary Fund. Rick is going to produce a budget and a financial plan linked to the Maintenance Group's assessment of our pontoon replacement requirements which we will monitor and keep under review. So, with on-going support from members, and careful budgeting and financial planning, we know we can continue to accumulate surpluses for the Centenary Fund in future years so we can have a 'long-life' club base. The Committee is committed to this strategy. I hope myself, the flag officers and Committee members over the next few years may rely on members' support to make this happen.

The Barton Bunny

As most of you probably know, this Easter pursuit race was introduced in 2017 by Max Dixey as a fund raiser for the club Centenary Fund. We repeated it this year, despite the early Easter and cold conditions, with sponsorship from the White Horse, Neatishead. Again, great fun. We have decided to add this event to our Green Book programme of Club Open Events. Put Easter Saturday in your diary for this one. Later than last year and hopefully warmer. The White Horse will be giving a trophy from 2019 as well as (hopefully) the Happy Hour and the meal voucher prize.

Sunday Sailing Programme

Fast and slow starts

I was approached by a member during the season to ask the Committee to re-consider the order of fast and slow starts. With fewer slower boats these days, we wait around after tea for the fast start, often joined by the one or two slower boats to make a race. This drags the end of the day racing out, perhaps unnecessarily.

The Committee has decided to revert to conventional race management, namely to send the fast boats first. This is the safer approach. Officers of the Day (OODs) have the option to give the slower boats fewer laps. And we will amend the local sailing instructions to say that the slow start can be brought forward on the day. This amendment will then cover an OOD who needs to bring forward a race time – e.g. the end of season pursuit race.

The sailing programme

As you probably know, Will and Emma Daniels have for 11 years now compiled our racing results. They have been giving some thought to how the programme might be re-energised and have offered to make some proposals. I am inclined to take them up on this offer, for Committee discussion in the first instance. It is a little late to make changes for next year's programme but maybe there will be a discussion at the next AGM for the 2020 season. Watch this space.

Will and Emma have also asked me to give members a gentle reminder that submitted, legible, race results are the only sort that make it to the compilation.

The regatta programme

Some concerns have been raised about the challenges of running what is clearly a 'full-on' programme for our August Regatta. There are series in which a range of trophies are being sailed for, with a large array of boats on the water. The box missed some junior finishers on the Saturday this year I gather and they were sent around again.

We have been sent some proposals for changing the programme and some suggestions from experienced regatta hands for increasing the team in the box. We should also consider whether there is a way we can have box members at each end of the line. We will put this on the Committee agenda for consideration.

Ian Mason noted that several class races start close together. This was a strategic decision recognising the contraction in the size of several classes

Adult training

Thanks to members of our training subgroup, we have been running a very busy and successful training programme for grown-ups new to sailing. This is a great boom for the club as we are able to attract beginners who, hopefully, will grow in confidence and boost the numbers who race regularly. We look forward to another successful programme for 2019.

Social Saturdays - building on their success

Social Saturdays were introduced in a low-key way a few years ago and have grown in popularity. Some members have even muttered that socials are put before racing these days. Enjoyable social sailing is an important aspect of the club's attraction and together with the training programme we offer, and Tuesday evening sailing, will hopefully lead to less experienced sailors giving racing a go. The early season social Saturdays have typically been scheduled to co-incide with adult training days

and members of the training sub-group have often put their hands up to organise them, which is a lot of hard work straight after a full-on training session.

The Committee has reviewed these arrangements and decided that a little more structure should be put in place to share the load and provide safe cover. We will therefore be asking members to volunteer to 'host' Social Saturdays – and have a small team to cover the safety boat and the tea hut. We have a draft 'brief' for the team (the Social Saturday equivalent of OOD notes for Sailing Sundays) and will add the dates into the duty rota so you can sign up.

So, with all this to look forward to I am sure we have another wonderful year ahead of us. Martin and I are particularly grateful that Michael is now on board, as Martin said, we need a flag officer who can sail!

We have a great Committee, a vibrant network of sub-group members and lots of Punt Club spirit to help us through the darker days of winter and get us up and sailing in the Spring. Please do let us know if you want to get more involved behind the scenes.

I look forward to seeing you at the Annual Dinner, perhaps, and failing that here on 2 March. Once again, thanks to you all for your ongoing support.

12. Any Other Business

Sarah Adler said that the new Punt Club recipe book is on sale tonight and she is delighted that the puddings for tonight are cooked using recipes from the new cookbook.

Leo Levine asked if it is possible to seek a £1,000 contribution from the RYA towards the Club Development funds. Maybe we should consider a one-off appeal to members to purchase the moorings we currently rent from BTAC.

Val Khambatta explained that currently we do not fit the criteria to qualify for funds from the RYA, or any external funding, as we do not have a formal licence agreement with the Norfolk Wildlife Trust.

James Arthur noted that if anyone would like to purchase 2019 Punt Club Calendars then please would they email him immediately.

Alison Sawyer and her team of helpers was thanked with acclamation for the meal to follow the AGM.
