BEST-DRESSED YACHT

A prize will be awarded to the best-dressed Yacht attending the Monday Regatta

The NPC and Regatta Committee request that all motorised craft using the broad comply with the speed limits. It is anticipated that the Broads Authority will be closely monitoring speeds of craft on Barton Broad during the Regattas. The NPC and the Regatta Committee will provide all assistance necessary in the event that the Authority brings a prosecution for infringement of the speed limits.

GENERAL

SAILING INSTRUCTIONS

Current NPC Sailing Instructions are on display on the notice board on the pontoons and available on the entry boat. Please note

1. They will be used on all race days
2. Competitors should note the starting (including use of Committee Boat) and finishing procedures in particular.
3. When not racing, please keep clear of line and course.

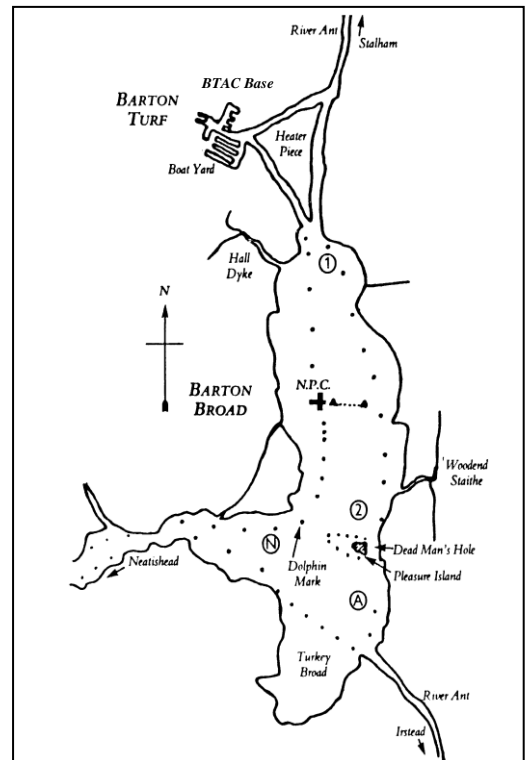

IN ADDITION, on the Monday, the following will apply:

1. Series and race letter flags will be hoisted at the ten minute gun. The race letter flag substitutes the normal class flag. The Series flag remains hoisted until the last start in that series.
2. If any boat is over the start line, the race letter flag will remain dipped for up to two minutes.
3. No competing boat may, AT ANY TIME, pass between the committee boat or barge and the limit buoy carrying a red burgee. Failure to comply with this will result in "summary disqualification".
4. When, in the opinion of the Race Officer, sufficient boats have been timed in to decide a race result, any further timings or placing of finishing boats will be recorded at his discretion.
5. Protests in respect of the final series of races must be notified to the Race Control within ten minutes of the last finishing boat in the race
6. Any protest will be heard at a time fixed by the Race Control and at their discretion. The Committee adopts, and consequently any protest will be conducted in accordance with, the current RYA procedure.

BARTON BROAD (not to scale)

PLEASE NOTE

1. The D, R and J marks (not shown) may be laid in any part of the Broad.
2. The Dolphin denotes an obstruction and shall be passed to the east (see SI 10.1). Mark Room does not apply

MONDAY RECALL INSTRUCTIONS

In the event of a boat being over the line at the start, two guns will be fired. No numbers need be called. Three guns will indicate a general recall. After a general recall, the restart will be 5 minutes after the final race in a series and the recalled race letter flag will be flown. If the general recall is for the final race in a series, the next gun will be the 5-minute signal for the restart and this will be preceded by a warning bell one minute before it sounds. All restarts will be sailed under Rule 30.3 and a black flag will be flown. It will be broken at the five-minute gun. This will signify that any competitor over the line at the starting signal will be automatically disqualified from the race.

PLEASE NOTE

All prize winners are requested to have cups suitably engraved and returned to the Hon. Secretaries when requested, in advance of the next Regatta. In each race six boats to start or no 2nd prize, nine or no 3rd, twelve or no 4th. The committee reserves the right to make any alterations they think fit or to refuse entry. Their decision is final subject to appeal to RYA.

It is sincerely hoped that all races will be undertaken in the spirit of good sportsmanship and that all competitors will primarily enjoy their sailing. Both NPC and BBOR committee have adopted the RYA Charter. The Committees earnestly impress on all attending the Regatta not to do any damage to the reeds or to disturb the wild fowl and they hope for the assistance of the public in seeing that all the rights and property of the owners of the Broad are fully respected.
