

Event or sign up for an Open Sailing Event please follow the steps below:

Click on Norfolk Punt Club.

You will then see this box. Click on Book a place and you will see something like this second box (depending on what you are booking).

Please check it is the right course e.g Junior Training is different to Junior Week. Here you can book however many places you want but you may be asked to complete a Medical/Consent form for each person. You will see that form when you go to checkout, these will be used by the Event Co-ordinator.

- Then book the number of places and go to My basket (at the top)
- Complete the forms for each person
- Select how you wish to pay from the options given and make payment*

*Please note you can setup online payment via Go Cardless (this will appear as Direct Debit but is not a regular payment), you can do a BACS transfer (account details will be included in the confirmation email) or by cheque (with a £5 surcharge, address at which to send it will be included in the confirmation email).

You will receive email confirmation of your booking. Please note that at the right hand side of the events you might see 'downloads', these are documents for your information so do please download them.

We completely appreciate this system will take time to get used to, but we are really excited to start using it.
